ONE GIRL SCHOOL SUMMARY CHAPTER 1 TO 16

CHAPTER 1: SAVE MARNOVER SCHOOL

The Marnover Village was crammed full of people .Up was Mrs Wiffy ,Head of Marnover Village School , and behind her was a banner :MARNOVER SCHOOL MUST NOT CLOSE. In front of her were rows of angry Village parents, confused kids and screaming .Right at the back of the hall ,chewing on a stale bit of gum ,looking really bored ,was me .My name is Bernie Lee. That's short Bernadette ,except no one calls me Bernadette unless they want a close-up view of my fist .My mum moved to this stupid village after she split up with Dad.We used to live in Grosshampton,which is a nice big city where the air is ninety-nine per cent petrol fumes.Mum decided it was better to live in the country ,so my brain wouldn't get full of poison .As I was saying ,Mrs Wiffy was up on stage making a speech.She obviously wasn't used to talking to grown-ups and now again told someone off for looking out the window.'Marnover school',said Mrs Wiffy has been here for generations.Mrs Wiffy hushed the crowd'we need volunteers to take round a petition.I was chosen to hold the petiton.

Chapter 2 : The petition

So tha't how I got my first (unpaid) job in Marnover village .Mum said it was an excellent chance to meet all the interesting local people,and if I was lucky they might give me some local cheese.I sulked for a few days,then I had an idea .What if of,you know, put people off signing?I started at old Appletree Cottage which had a thatched roof ,roses round the door and a surround-sound,home -cinema telly in the front room.My next stop was the vicarage,where Mr Fuggles the vicar invited me in for tea and scones.I decided to call next at old farm road.
